

TIME FOR APPRAISAL

Firstly, thank you to everyone for returning such positive feed-back on 'The Bromley Messenger' in the Village Appraisal published this month and thank you to the 85% of you who read it cover to cover. There is a copy of the Summary of the Village Appraisal in the centre of this month's magazine which you can pull out and keep.

Your feed-back requests more additional features in the form of more detailed planning applications, local crime reports etc etc. These are dependant upon the various bodies giving me the information and although I am in touch with them not all send me news and information on a regular basis. We shall be seeking volunteers to commit to sending these contributions on a regular basis.

With regard to the month of issue on the front cover this was deleted many years ago on the grounds of cost. The plate for the cover pages is made up annually for which we get a discount. Every time a change is made to the cover pages during the year an extra charge is imposed. We endeavour to keep the magazine costs to a minimum and within our budget. The rates charged for advertising and the kind sponsors who sponsor the magazine year in, year out keep us afloat. Len and I claim only actual production expenses and everyone involved with ensuring you receive your magazine gives up their time for free.

The Bromley Messenger Management Committee will be getting together soon to decide how best we can implement some of your suggestions to give you a magazine that will be read by 100% of you!

SPONSORSHIP AND NEW COVER

When 'The Bromley Messenger' started over 20 years ago it based its revenue on sponsorship rather than ordinary advertising. However eventually, as the number of pages grew, this revenue did not cover the price of the printing. The Messenger is delivered free to all households in Great and Little Bromley and your Village Appraisal is complimentary on its production.

(e.g. The Friendship Club has a small change tin which they send me periodically). A donation can be a personal one or you may wish to sponsor your Club or Organisation. If the latter, the name of your club or organisation will be displayed on the back cover throughout the year plus a 'piece' on page 2 of the month of your choice. Costs depend on size but for 1/3 of a page it is £65.

We are progressing the medium of the website by having a link from advertisements to the website. Details will be published in due course.

10% of the Appraisal returns said they would sponsor the Magazine. We have always had a month set aside for donations (not advertising) and if anyone would like to make a donation then please send it to me - any amount

In April, we update the information regarding the Clubs and Organisations of the villages. Would you all please let Leonie know any changes that need to be made to the cover pages **by 19th March**.

CHILDREN'S CORNER

MAKE:

Owl Finger Puppet

You will need:

Scraps of felt—brown or black, yellow and white

Cut two of the basic finger shapes and stitch them together. Cut out two eyes, one nose and one 'front' and stick them on to the owl. Draw in the eyes with black felt-tipped pen.

See Fig. 1

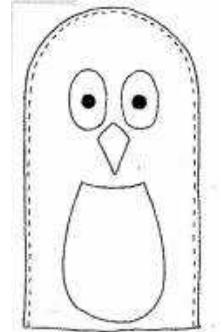

Fig. 1

Owl Masks

You will need:

A large paper plate

Brown wrapping paper

White and yellow card or stiff paper

Thin elastic

Start with a sheet of brown paper about 5cm larger than the plate. Draw round the plate, then cut the paper as shown. (See Fig. 2)

Stick the paper on to the plate.

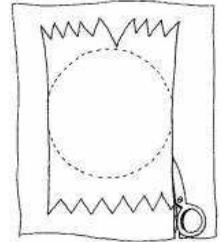

Fig. 2

Cut out two eyes from white card and stick them on the paper. Make holes for the eyes—these should be level with the centre of the plate, not near the top. Make a beaky nose from yellow card. (See Fig. 3)

Attach thin elastic to the side of the plate. (See Fig. 4)

TRY WALKING IN 2007!

Walking is the most natural and simple form of movement, and an excellent all round mode of exercise. Yet as a nation we are walking less and less. Walking can help you to:

- Improve your general health
- Get fit and stay fit
- Control your weight
- Live longer!

Walking helps protect the body from many illnesses and conditions: heart disease and stroke, high blood pressure, osteoarthritis, obesity, depression, some types of diabetes and colon cancer.

Health experts agree that 30 minutes brisk walking on most days of the week is sufficient to improve fitness. That might seem a lot at first but walking can be incorporated into your everyday life more easily than any other activity.

You don't need any special gear and you can do it wherever you are. It raises your energy levels, works off calories and doesn't cost a bean!

Where to start? Try looking at www.walkinginessex.co.uk – this website gives you all the information you need to know to start walking. It lists guided walks taking place, leaflets and books of walks and contact details for dozens of walk groups.

Go on, check the site now – you know you will enjoy a good walk!

FROM THE PAST ...

A Servant gives to her Master

Agnes Littlebury from the Great Bromley family was servant to John Stone of Brightlingsea, her master, and left everything she had from her father, Thomas Littlebury's will to him in 1583. There are no details of the contents from the bequest.

The Stone families can be found in many places besides Great Bromley.

John Appleby

AND 20 YEARS AGO ...

March 1987 - Following the closure of The Spread Eagle Public House, **Betty Rowe** wrote the following poem.

The Closure of the 'Spread' January 1987

The Spread Eagle's wings are folded, over
four hundred years they were spread,
Once the hub of the village: 'tis now all
shuttered and dead.

The last 'time please' has been called, the
final bell has been rung;

Oh, if only the walls of the Spread could
come to life and give tongue!

The Public becomes now Private -
somehow it doesn't seem right,

But maybe the ghosts of its ancestors will
continue to prowl at night.

Times and fashions must alter - but call it
what you may,

The memory of the Spread in our village will
remain for ever and aye.

GARDENING TIPS for FEBRUARY

Sweet Peas: If you set your seeds in October, they can now be planted in their permanent positions at the end of this month.

Roses: By the end of this month roses should have their final pruning. If new bushes are required use cuttings a foot long, cut just below a node and plant where you want them to stay undisturbed.

Buddleias: March is the month to prune. Cut back last year's growth to about half to a bud.

Bulbs: Gladioli can be planted this month.

Snowdrops: Divide and replant when they have finished flowering.

FRIENDSHIP CLUB

A date for your diary:- **1st JUNE - OPEN DAY.** More details later.

Unfortunately the weather kept many

people at home in January when we had the A.G.M. but thanks to all who ventured out - hurricane winds and rain I can do without! I hope you didn't get back to

much damage: we had three fence panels flattened but with quick action by our LOCAL builders - Dick and Bob - we were soon made secure again. Well done boys, you deserve a medal. It must have taken a week for you to thaw out?

We send our best wishes to Brenda with thanks for another lovely meal, not forgetting Richard and Auntie.

Next meeting is on 15th March - the competition is A Small Vase.

WOMEN'S INSTITUTE

We had a very interesting evening at our meeting last month when Catherine Hart came along to tell us "How to Know our Face" and about her work as a "Health and Beauty" therapist.

Our skin is the largest organ we have, so it is very important as it protects us both inside and outside with its three layers. We should take care of our skin

whatever our age. The skin on our face can show a lot about us, particularly ageing of course, which is affected by dryness, sun rays, metabolism, stress, diet, weather and central heating all

playing a part.

Catherine recommended that everybody would benefit by drinking one to one and a half litres of water per day. She also brought along different lotions and creams which can help to keep our skin clean and healthy together with helpful leaflets and a few sachets.

On the first Wednesday in March we shall have a talk by Sally Heffer on "The Woodland Trust". If you would like to join us on 7th March at 7.30pm in the Village Hall, you will be most welcome.

CARPET BOWLS

The last five matches have been disappointing with the number of points gained, but often the games were closer than the figures suggest. We lost, both home and away 6-2 to Lawford, a drawn game with Alresford 4-4 at home, lost 6-2 at home to Wix and also 6-2 away at Tendring. Just two more league matches to play this season so unless we break out of the mould, there will be no "champagne" corks popping this year!

On Sunday 14th January, four members entered the Essex County CBA Singles Championship at Braintree Leisure Centre. There were 40 groups of four players, the winners of the group going through to the finals on 4th March. Pat Petchey lost his three games, Ron Copp won two out of three, Derek Frostick won one and lost two, Andrew Childs

won two and one drawn game taking him through to the finals. Upon reflection, maybe there could be some champagne around after all, we wish him good luck!

Good to have Bevan look in on us again after his recent spell in hospital. We hope he will soon make visits more often, as he has a keen interest in our "doings" and enjoyed his games when he was well enough to play.

Our "Brumbella" Cup day is round again on 10th March. The charity we are supporting is Helen Rollason Heal Cancer. Can I ask our friends again this year to support the raffle. This is the biggest part of the event for raising money. Thank you.

Machine Knitting

DO you remember when machine knitting was all the fashion and most towns had a club? Unfortunately with cheap imports and young mothers preferring to put the children in denim, the wool trade has dried up with the result that very few shops cater for us knitters now and the clubs are few and far between. You see the once expensive machines in charity shops being sold for a pittance.

In Holland-on-Sea next to the public library we still have the Clacton Machine Knitting Club which meets on the first and fourth Monday in each month at 1.00pm till 3.00pm. You do not have to take your machine either as we have our own. We have had speakers on knitting motifs, spinning and next month there is crochet. We have a look and tell where people bring in a article and explain how they altered the neck or pattern from the

normal one. You will be surprised what people make, from slippers to re-covering a three piece suite. to cushions and lace curtains.

We have a competition each year. One year it was dressed dolls which were then donated to the hospice shop for sale at Christmas. Last year we made hats, mitts and scarves which were sent to a local charity to be put in shoe boxes for Christmas.

Why not come and see us? You would be sure of a welcome and a cup of tea, if you have a machine you no longer need, I have the phone number of TOWAM (Tools with a Mission) who will come to collect them. The machine then goes to be overhauled before it is shipped abroad. They also take tools, not sewing machines. Please phone the treasurer of Clacton Machine Knitting Club for more information on 01206 823127

GREAT BROMLEY NEEDS YOU!

You will see elsewhere in this parish magazine a

notice from our parish clerk drawing attention to the parish and district elections in May.

We are fortunate in Great Bromley in that we have been able to fill our quota of parish councillors in recent years, unlike some other parishes. However, not all of our existing councillors intend to stand for re-election this year, for personal reasons. Great Bromley is, therefore, looking for enthusiastic volunteers who are prepared to make a commitment to serve the village over the next four years, as parish councillors. Being a parish councillor is fun, in the sense that parish council work is interesting and enjoyable. In addition to fundamental parish issues such as planning matters, grass cutting, property maintenance, tree planting, highway safety etc, parish councils are becoming increasingly involved in many local government issues. Parish councils are now able to comment on, and make inputs to, strategic papers on a variety of subjects emanating from regional and county authorities.

Great Bromley's currently elected parish councillors come from a very varied background. We have two farmers, two former army officers, a policeman, a mother of two young children, a publican/restaurantier, a former merchant banker and a former horse therapist. To support them, the council employs a clerk to deal with all correspondence, to liaise with the public, local government and other agencies and to produce minutes of council meetings.

So, what is expected of a parish councillor? Well, he or she is expected to attend meetings of the council which take place

usually on the second Thursday of each month. Meetings start at 7.30 pm and last for about an hour and a half. He or she would also be expected to read and comment on the parish correspondence/papers which are passed in a folder from councillor to councillor each month. Academic or professional qualifications are not prerequisites to being a councillor. However, common sense, an ability to work with others and a commitment to serve the community are fundamental requirements. Interested? Then ring Ken Bromfield (the parish clerk) on 230089 and ask him for a nomination form and/or further information.

A summary of the results of the village appraisal, which was undertaken last year by the vice-chairman of the parish council and a team of volunteers, is included in this issue. This in-depth look into the opinions, worries and expectations of those who live here has revealed that many people are willing to participate in parish activities aimed at making Great Bromley a better place to live in, for all age groups. In next month's magazine, there will be a summary of the various activities that need to be undertaken to address the issues raised by the appraisal. Whilst the parish council will co-ordinate and sponsor this work, and some of the parish councillors may wish to play an active part in these activities, considerable help is required from others in the village to make it all happen. Whether or not you intend to stand as a parish councillor at the election, your expression of interest to participate in one or more of the activities listed in next month's article would be much appreciated, to enable early planning to get underway.

To conclude, the parish council and public-spirited individuals in the village at large have a clear mandate from the recent village appraisal to improve several aspects of life in our village as well as developing community spirit. Any help that you are able to give towards achieving this important goal would be very welcome indeed.

LOCAL ELECTIONS 2007

On 3 May 2007 there will elections for new parish and district councillors. Make sure that you are on the register of electors so that you can vote! If necessary visit Tendring Council's Weeley office or contact the Electoral Registrations Office (01255 686868) by 18 April to check that you are on the roll.

There are nine parish councillors for Great Bromley, although not all of the present members will be seeking re-election. If you are interested in becoming a new councillor then please contact the Clerk (01206 230089) who can send you a nomination form. If you wish to know what is involved in council work then the Clerk can put you in touch with one of the existing councillors and send you a copy of the council's last annual report.

District Councillor nomination forms will be available from 27 March and will need to be collected from: Westleigh House, Carnarvon Road, Clacton. Again telephone 01255 686868 for further information.

The closing date for submitting either parish or district council nominations is 4 April (by 12 noon!).

THE WAY FORWARD

Now that copies of the full appraisal results and appraisal report have been published, it is important that the current momentum is not lost during implementation of the proposed changes and improvements.

The appraisal working group has drawn up a draft action plan for the parish council to consider at its March meeting. This will identify the key parameters associated with each of the proposed actions in the appraisal report, including relative priority, estimated timeframe and likely resource requirements. Whilst some actions can be addressed within routine parish council business, the majority require community involvement and need to be grouped into defined projects for management purposes. A summary of these projects will be published in the April edition of the Bromley Messenger. As outlined by the chairman of the parish council elsewhere in this magazine, those people who are interested in playing a part in one or more of these projects are encouraged to put their names forward during April and early May so that working groups can be established by the parish council.

A briefing on the appraisal results and action plan will be given at the annual parish assembly on 10th May 2007. Subsequently, meetings will be held for those people volunteering to be involved and the working groups will be formed. The working groups will work independently of the parish council and be responsible for the detailed management and implementation of their projects. However, as sponsor, the parish council will monitor and co-ordinate project work and will be responsible for funding, including submission of applications to external organisations for any grants required.

COMMUNITY SPEED WATCH

We need at least **two** volunteers from the Parish for the community speed watch.

They must be prepared to give at least one hour of their time per week.

Training and equipment will be provided.

Volunteers will be required to sign a volunteer's agreement.

The equipment will be shared with other parishes covered by Mistley Police Station.

For further information please contact PCSO Howe at Mistley Station on 01206 392611.

Little Bromley needs to produce at least three more volunteers. If you are prepared to help please contact PCSO Howe.

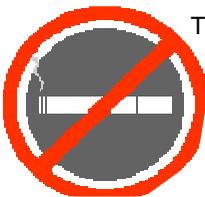

GREAT BROMLEY VILLAGE HALL CHARITY TRUSTEES

The Village Hall committee met on 23rd January with 10 members present.

Each year we are duty bound to submit an Annual Return to the Charity Commission to inform them who are our Trustees, update them on our activities throughout the period and send them a copy of our audited accounts. We are also contacted by the Performing Right Society to pay our annual dues to the industry for the use of music at the Village Hall.

Tendring District Council has recently sent us a Health and Safety Questionnaire for completion and return as they have responsibilities in that respect, including fire safety supervision. Also, Tendring DC are the Licensing Authority for our Premises Licence to allow us to function as an entertainment venue.

The Great Bromley Parish Council's Village Appraisal results are now to hand and those appropriate to the Village Hall will be considered by the Committee and included without our plans for action to be taken as and when funds permit. Thank you for your comments and we wish to encourage you to use the Village Hall as a community place within our village.

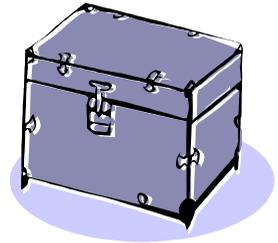

The committee intends to make the Village Hall a cigarette free zone in line with

Government policy and ban smoking within the building. We shall be placing cigarette wall bins outside the front and rear entrances for the smokers to put their butts into for the benefit of us all. Please do not throw your used butts on the ground, many children use this Hall.

Storage is becoming a problem at the hall. We are again having to look towards

providing more secure storage areas, although some may say that we have plenty of space available. This is not the case, we do not want to be for ever moving stored equipment each time somebody hires the hall!

Have you secured your tickets for the "Nostalgia" Big Band at the village hall for another evening of dancing and entertainment on Saturday, 17th March, 7.30pm till 11.45pm. To ensure you have a place please book your tickets with Beryl Hurst on 01206 230578 as soon as possible. You are assured of a good evening.

The Village Hall committee next meet on Tuesday 6th March at 7.30pm at the Hall.

THE UNITED PARISHES OF ARDLEIGH AND THE BROMLEYS

Dear Parishioner,

Lent is the six-week period leading up to Easter Day when Christians take up spiritual disciplines. Derived from a word meaning Spring (for those of us in the Northern hemisphere at least) it is a time to wake from darkness and look to new growth.

Having been baptised and received God's assurance that he was loved by Him, Jesus is led by the Holy Spirit into the wilderness to face his human demons. Being Jesus and so God himself, He triumphs over the temptations and returns to society to show God's love, mercy and power.

The call of Lent is to imitate Jesus so you may find Christians wanting to spend more time on their own, quietly reading their Bibles, or being with God in prayer. Church attendance normally increases; Christians meet in small groups to grow with others. You may experience a Christian saying no thank you to an alcoholic drink, or cake or chocolate, and even going without a main meal on a Friday too.

The intention here is not to break a habit or lose a few pounds in weight, but to triumph like Jesus over our human weaknesses. Indeed any money saved from abstaining is given away to a charity. This year we are supporting the Eye Hospital in Jerusalem that provides treatments to those without insurance in Israel Palestine. It would be easy (see my letter last month) to collect for ourselves, or the new facilities, but that would be inward looking and again like losing some weight, not the idea.

If all of this means you or the Christian,

as you know seem under strain, please be gentle with yourself or them. Easter will soon be here and they will be celebrating well the ultimate triumph over evil on the cross, when my Lenten offerings pale into insignificance. And pray God through Lents God's love, mercy and power will have been channelled into our world through Christians trying to be faithful.
